**SUB: PRESS RELEASE – OUR EXPANDED CANNING LINE AT BHOPAL HAS COMMENCED COMMERCIAL PRODUCTION**

*[Intimation Pursuant to Regulation 30 (read with Schedule III - Part A) of SEBI (LODR), Regulations, 2015]*

Dear Sir/Madam,

This is in reference to our earlier release on 23rd March regarding commencement of trial production at our Bhopal plant.

We are now pleased to announce that our expanded canning line at Bhopal has commenced commercial production. This marks an exciting milestone for our company as we expand our product offerings and increase our production capabilities. This will also enable us to take advantage of the peak consumption season of beer.

With the launch of our canning line, we are well-positioned to meet the growing demand for canned beers in the market, and we look forward to delivering value to our customers and shareholders.

Thank you for your continued support. This is for your information and records please.

Thanking you,

**For Som Distilleries and Breweries Limited**
